Dead or Fled	For each enemy unit that has been killed or has fled the battlefield, you gain a number of VPs equal to its Point value .
Scared	For each enemy unit that is Fleeing on the battlefield at the end of the game, you gain a number of VPs equal to half its Point value (rounding up) .
Decimated	For each enemy unit that is at or below 25% of its starting number of wounds at the end of the game, you gain a number of VPs equal to half its Point value (rounding up) .
