

Scenario 1: Chop off the Head!

Scenario Description: Cut off the head and the body will die. Sounds simple enough! Except the head is usually the toughest part to cut off! Take to the battlefield and destroy any and all foes that stand in your way!!

Deployment Type: For reference, players can refer to the Deployment Types section found on p.33 of the main 9th Age rulebook. **This Scenario will use the 1: Frontline Clash deployment type. Deployment Zones are areas more than 12" away from the Centre Line.**

Game Length: Two hours and thirty minutes or Six Turns, whichever comes first.

Victory Conditions: The winner is determined by victory points.

Special Rules: Destroy the foe's command structure! For each enemy character slain, fleeing, or fled the table at the end of the game, gain a bonus 50 victory points. Unit champions do not count towards additional VPs. Only Character models. Victory points for destroying enemy units and slaying the General and BSB are scored as normal.
